Lamb Loss Record

Use this sheet to record lamb losses and identify the reasons for lamb mortality.
For further information and practical guides with ideas that can help maximise lamb survival within your flock and improve your farm efficiencies visit **www.farmingforabetterclimate.org**

Farming for a Better Climate

@sacfarm4climate

START DATE:

	Week 1							Week 2							Week 3						
LOSS REASON	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21
Accident/ Injury																					
Birth - backwards																					
Birth - hung																					
Birth - mixed up																					
Birth - rotten																					
Birth - too big																					
Birth - too small/premature
